Meeting of Officers held in October 1938

SUBJECT No: 26. Debt Conciliation Boards and the Land Mortgage Scheme.

The Registrar explained that though there were Debt Conciliation Boards, there was no agency to pay the amount conciliated in Madhugiri and Nagamangala Taluks as the Land Mortgage Scheme had not been introduced into these taluks and that the department was also not in favour of establishing Banks at these places. Land Mortgage Banks should be associated with this scheme, so that the compounded debts may be paid up by these Banks.

The First Member of Council explained that Mr. K. R. Srinivasaiengar, the President of the Land Mortgage Bank had a consultation with him and suggested to him that the Chairman of the local Mortgage Bank might be made a member of the Debt Conciliation Board and that this may be tried. First it had to be decided what the amount of the conciliated debt would be. That must be done by the Debt Conciliation Board. Then the party should approach the Land Mortgage Bank and arrange by offering security for a loan from that Bank. If the President was on the Board, *prima facie* he would be in a position to say to what extent the Bank would be able to help in paying the debt.

He further explained that the selection of taluks was made with reference to the possibilities of success of the scheme and that the Co-operative Department should arrange to open Land Mortgage Banks in dry taluks like Nagamangala, Madhugiri, etc. Then the activities of the Revenue Department and the Co-operative Department could be co-ordinated.

1) It is submitted that the question of appointing ^{provisional} members of the local L.M. Bank as a member of the Debt Conciliation Board is a matter to be dealt with in Revenue Branch.

2) As regards the extension of the scheme to the dry taluks like Madhugiri & Nagamangala etc. where the Debt Conciliation Board are set up, it is submitted that before the scheme is extended to a particular taluk an investigation is held by the department on the lines in the questionnaire in Part (F) and some additional information is also called for as detailed in the Note Part (H). In addition to the conditions detailed in the questionnaire, ~~the~~ ^{the} taluks where the scheme of Record of Rights has been introduced are given preference for the establishment of the L.M. Bank. It is only when these preliminaries are satisfied, the L.M. Society is established. It is possible that, ~~the~~ ^{the}

places selected for the establishment of the Debt Conciliation Board may not be considered suitable for the extension of the Land Mortgage Scheme. And ^{with} the mere establishment of the Debt Conciliation Board without corresponding facilities for the repayment of the compounded debt. The object of establishing the Board may not be achieved. It is therefore desirable perhaps to select, in consultation with the Registrar, only those places where the L.M. Scheme is in operation, for the establishment of the Debt Conciliation Board and that the Registrar of Cooperative Societies is invariably consulted by the Registrar while considering the question of establishing of the Board. With reference to your letter No.D.6953/C.S.13-38-2 dated 23rd January 1939 on the question of the establishment of the Land Mortgage Societies in Taluks in which Debt Conciliation Boards have been established, I have the honour to state that in accordance with Government Order No.R.7-75/L.R.301-36 dated 13th/14th June 1938, Debt Conciliation Boards have been established in the marginally noted six

Mysore District	.. Nagamangala Taluk.	
Tumkur District	.. Madhugiri Taluk.	
Kolar District	.. Koppa Taluk.	
Shimoga District	.. Sagar Taluk.	

Investigations into the possibilities of extending the Land Mortgage Scheme to the Madhugiri and Nagamangala Taluks have been conducted and it has been found that the Scheme cannot be successfully worked in those Taluks. Copies of letters No.34 dated 14th August 1933 and S.I.91 dated 12th August 1938 received from the President of the Land Mortgage Bank furnishing his views in the matter of extending the Scheme to the Nagamangala and Madhugiri Taluks respectively are enclosed for the information of Government. In these circumstances, it may not be possible to introduce the Land Mortgage Scheme to these two Taluks for the present.

2. The successful working of the Debt Conciliation Act will be ensured only if there is an agency to finance, if necessary, the agriculturists to pay off the conciliated debts and the only agency for such a purpose is the Land Mortgage Society. It is, therefore, requested that Government may be pleased to constitute Debt Conciliation

With reference to your D.O.No.57/C.S.dated 9th instant forwarding for my opinion, the papers relating to the prayer of the people of Nagamangala Taluk for the introduction of the Land Mortgage Scheme into that Taluk, I write to state that Nagamangala is a dry Taluk and the lands in it are chiefly dependent on rain for their cultivation. Any vicissitudes in the seasonal conditions will not only affect the capacity of the raiyats to repay their loans but also the market value of the lands. I do not think therefore that this Taluk is quite suited for the extension of the operations of the Bank, at any rate for the present when great caution has to be exercised in the working of the Bank.

[Proceedings of the meeting held in the Chambers of the Second Member of Council on 12th May 1939 at 5 P.M. with the President, The Mysore Central Co-operative Land Mortgage Bank, the Registrar of Co-operative Societies, the Comptroller, the Financial Secretary and the Secretary, Local Self-Government Department to discuss certain matters relating to the Land Mortgage Bank.]

I. FORMATION OF A SINKING FUND.

The first series of debentures were issued at the end of the year 1930 and the second series in 1933. They cannot be redeemed earlier than 10 years after issue. They would therefore be redeemable only at the end of the year 1940 and in 1943.

Contribution to sinking fund can be only from profits made by the Bank. But there are now no profits and Government have had to contribute even towards working - expenses. The formation of a Sinking Fund is therefore out of the question now, as it would only mean a further subvention from Government. The question may therefore be considered four years hence viz., in 1943. The President is hopeful that he could then be in a position to redeem most of the high rated debentures, either by floating new debentures at a lower rate of interest, or by earmarking - recoveries on account of principal towards redemption. As the recovery of loans is quite satisfactory and is showing a tendency to improve, it was agreed that the consideration of the question of forming a Sinking Fund may be deferred till 1943.

II. APPOINTMENT OF A DEPUTY REGISTRAR FOR LAND MORTGAGE WORK AND THE ENTERTAINMENT OF ADDITIONAL INSPECTORS.

The Registrar is of opinion that if an accelerated programme of work relating to Land Mortgage Scheme has to be adopted, the appointment of an officer exclusively for Land

Land Mortgage work is desirable. It was agreed that an officer (not necessarily the Deputy Registrar) was necessary for being in charge of Land Mortgage work. The Registrar may be addressed to suggest suitable names for appointment.

As regards Inspectors it was agreed that two additional Inspectors ^{only} for Land Mortgage work may be sanctioned as there are now only eight Inspectors for 36 Societies (with the prospect of four more societies coming into being) as it is necessary to have an Inspector for every four societies.

III. FREE SUPPLY OF MAPS TO LAND MORTGAGE SOCIETIES.

The actual cost of a map irrespective of the prices charged may be ascertained from the Superintendent, Revenue Survey and Settlement.

IV. CONFIDENTIAL REPORTS OF AMILDARS ETC., IN CONNECTION

LAND MORTGAGE WORK.

A circular may issue to the Deputy Commissioners of Districts through the Revenue Commissioner that attention to Land Mortgage work is one of the important duties of Revenue Officers and that their work in this direction should be noted upon in the confidential reports of Amildars and Sub Division Officers as suggested by the President, Land Mortgage Bank.

V. LAND MORTGAGE BANKS AND DEBT CONCILIATION BOARDS.

It was agreed that Debt Conciliation Boards would not be able to function properly in the absence of Mortgage Banks to advance the amount of the scaled down debts. Debt Conciliation Boards should therefore be established in future only in places where there are already Mortgage Banks. Per contra action should be taken to establish Mortgage Banks in places where there are Conciliation Boards and if that is found not feasible the Conciliation Boards may be abolished until Mortgage Banks can be started.]

GENERAL SECRETARY.

15 JUNE 1939

Sir,

With reference to para V (relating to Debt Conciliation Boards) of the proceedings of the meeting held in the Chambers of the Second Member of Council on 12th May 1939 for the consideration of some of the outstanding problems relating to the Land Mortgage Scheme, I have the honour to state that out of the six taluks in which Debt Conciliation Boards have been formed by Government in their Order No: 775/L.R. 301-36 dated 13th/14th June 1938, the Land Mortgage Scheme is not in force in the taluks of Madhugiri and Nagamangala. These taluks have not been found quite suitable for the immediate introduction of the Land Mortgage Scheme. I therefore consider it desirable that other taluks such as Tumkur or Chickanaikanahalli in the Tumkur District, or Chitaldrug or Davangere in the Chitaldrug District, or Sakleshpur or Belur Taluks in the Hassan District, or Seringapatam Taluk in the Mysore District may be selected for the formation of Debt Conciliation Boards in preference to the Madhugiri and Nagamangala Taluks.

2. I am also of opinion that at least one of the members of the Debt Conciliation Board should be a director (preferably the President) of the Land Mortgage Society of the taluk. I request that this aspect may also be considered by Government in the selection of members for the Debt Conciliation Board.

Subject:- Certain questions connected with
the working of the Debt Conciliation Boards
expressing opinion on.

GENERAL SECRETARY
8 JULY 1939

With reference to your letter No. D.10813/L.M.13-
38-6 dated 23/24th ultimo on the above subject, I have the
honour to state that I agree with the opinion that Debt
Conciliation Boards should be established in future only
in places where Land Mortgage Banks already exist.

AS regards the question of taking action to estab-
lish Land Mortgage Banks in places where there are Concili-
ation Boards and, if that is not feasible, to abolish the
Boards until Land Mortgage Banks can be started there, I
have to state that the Debt Conciliation Scheme has been
introduced into six Taluks viz., Devanahalli, Chickballapur,
Madhugiri, Nagamangala, Sagar and Koppa. Land Mortgage
Banks exist in all these places except Madhugiri and Naga-
mangala. The Registrar of Co-operative Societies having
stated that these two places Madhugiri and Nagamangala are
not found suitable for the immediate introduction of the
Land Mortgage Scheme, I have reported in my letter No.
C.3381/38-39 dated 27th ultimo addressed to the Chief Secre-
tary that the Debt Conciliation Board at Nagamangala may be
transferred to Nanjangud and that at Madhugiri to Tiptur
the Debt Conciliation Board functioning at Tiptur exercising
jurisdiction over Turuvekere Taluk also. I agree with the
opinion that the Debt Conciliation Boards existing at places

places where Land Mortgage Banks do not exist may be abolished till such time as Land Mortgage Banks can be started there.

It is seen from your letter under reply that the Registrar of Co-operative Societies is of opinion that at least one of the Members of the Debt Conciliation Board should be a Director, preferably the President of the Land Mortgage Society of the Taluk and this aspect may be considered while selecting Members for the Debt Conciliation Board. I have already expressed my opinion in my unofficial reply No. C.4568/36-37 dated 20-6-1939 addressed to the Chief Secretary. (~~Extract~~ *Copy* enclosed) The Chairman or one of the Directors of the Land Mortgage Bank may be appointed as a Member of the Debt Conciliation Board wherever possible.

I have the honour to be,
Sir,
Your most obedient servant,

Uthappaiah
Revenue Commissioner.

Reply to the Un-official Note.

Returned with compliments.

With regard to the point noted in para 17 above, the undersigned is of opinion that the cost of sending notices by registered post, may be recovered from the person who makes the application to the Board, under Section 4 (1) and (2) of Debt Conciliation Act, for the settlement of the debts. It may be recovered in the shape of postal stamps correct account of the receipt and issue of these stamps being maintained in the office.

With regard to para 18, a Land Mortgage Bank started in all the Taluks, to which the provisions of the Debt Conciliation Act are extended will go a long way to relieve the needy debtor from his difficulties. Unless a Land Mortgage Bank is started side by side with the Board and loans on easy terms are arranged to be advanced to the debtors on the security of their immovable property, the settlement arrived at by the Board cannot be practically given effect to. If the debtor can arrange to give cash for his debts, it is likely that the creditor will be more amenable to a settlement favourable to the debtor. Out of the six Taluks into which the Scheme has been introduced, Land Mortgage Banks do not exist only in two Taluks viz., Nagamangala and Madhugiri. A recommendation is separately under issue that the Debt Conciliation Boards in these two places may be transferred to Nanjangud and Tiptur respectively.

Regarding para 19 above, it is no doubt desirable that the Debt Conciliation Act should be so amended as to be a source of help to the deserving debtor even as regards secured debts and debts for which decrees might have been obtained in competent Civil Courts. As this is however a complicated question involving legal interpretation, the Law Department may be consulted.

Regarding para 20 there appears to be no doubt as to the fact that the interest recovered prior to the settlement (and in case of debts incurred prior to 1-6-1935, only the amount of

of interest recovered from that date) has also to be accounted for while fixing the limit within which the amount has to be paid in satisfaction of both principal and interest.

With regard to para 21 in which there is a reference to some practical difficulties pointed out by the Chairman, Debt Conciliation Board, Chickballapur, it has to be stated that the Boards have functioned as yet, for a short period. The working of the Scheme may have to be watched for a longer time and remedial measures adopted after gaining more experience.

Regarding para 22 of the note, the appointment of the Chairman of the Boards as Chairman of the Land Mortgage Bank also will entail very heavy work on the Chairman of the Board who is also the Revenue Sub Division Officer having jurisdiction over three or four Taluks. It is desirable on the other hand, to appoint the Chairman of the Bank as a Member of the Board.

(Sd) S. Abdul Wajid,
Revenue Commissioner.

15 JULY 1939

To

The Law Secretary to Govern-
ment
Bangalore L.R. 54-39-1

Sir,

I beg to inform you and the Govern-
ment through you that at a meeting of the Malnad
Land holders' Association, held at Harihalapur
on 8th July 1939 it was resolved, that in view of
the grave defects as experienced in the working
of the existing Debt Conciliation Regulation, and in
other debt relief measures, the following may
be embodied in the Act so as to ensure real
relief to the debtors.

(1) Removal of the condition of certain percentage
of creditors, consenting to the Settlement.

(2) The applicability of all the relief provisions of
the Act, without distinction to all classes of debts
secured or unsecured.

(3) Decree should not be a conclusive evidence
in the matter of quantum of dues and in all
cases the past accounts may be called in and
examined, with a view to ascertain exact amount
of interest and other penal charges paid in order
to ~~(obtain)~~ enable the Board to give a proportionate
deduction in the heavy interest paid.

(4) Long term instalments up to sixty years be

2

granted and the debts scaled down in deserving cases.

(5) Before coming to the decision the Board should set apart from the land income of the debtor just enough for the maintenance of the debtor and family and the remaining amount may be charged for the payment of the instalments.

The Association feels grateful to the Government for having readily accepted the President's suggestion at the Assembly for clubbing together all the existing debt relief measures (Money lenders' Act, usurious loan-interest Act, Agricultural Relief Regulation and the Debt Conciliation Regulation) and bringing into existence consolidated Debt relief measure with all the amendments suggested above embodied therein.

The Association hopes that other actions may be taken by the Government as the evil of debts is growing in an enormous measure

Yours obediently,

W. S. Srinivasulu
